# BURTON PE SNOWBOARDING PROGRAM WITH CURRICULUM INSTRUCTION BY SKATE PASS

The Burton Learn To Ride Team has been working with the Allen Brook School in Williston, Vermont over the past year to develop the Snowboarding in PE program. It is an extension of our Kids Riglet Snowboarding effort Burton started in 2009 and is allowing us to bring snowboarding to more kids around the world regardless of snow, mountains or weather. The program is set up to run just like any other PE activity- inside the gym with a PE teacher running the class.

We have partnered with Skate Pass out of CO to help develop the program in CO and be the distributor for the Burton PE Snowboarding program as we expand.

We successfully launched the first school PE program on January 6, 2014 with the Allen Brook Elementary School in Williston, Vermont. We are now working on expanding to, CO, CA this year and globally in 2014-2015.

# BURTON RIGLET SNOWBOARDING Spooner Boards & Burton Grab Mat Game

## UNIQUE AND VERSATILE BOARD

Used to develop balance, coordination, and core strength. Board's spoon shape works on any surface and allows the rider to maneuver in a manner that simulates snowboarding.

Boards are safe and fun for students of all ages and abilities.

## BURTON GRAB MAT GAME

Fun and effective game teaches students the names and positions of popular snowboarding grabs. It's a great aerobic workout and improves coordination, agility, and reaction times to auditory and visual cues.

Up to 4 players and one spinner/game leader.  
All ages.

## Burton Video Station DVD & Burton Warm-Up DVD

### BURTON VIDEO STATION DVD & BURTON WARM-UP DVD

Instructions by Olympic Champion and gold medalist, Kelly Clark, is joined by Burton team pro riders, Danny Davis and Ben Ferguson. Students perform snowboarding warm-up exercises and dry land tricks while listening to and watching snowboarding icons.

Station DVD loops for 30-minute class.

### SKATE PASS® CURRICULUM INSTRUCTIONS

Curriculum trusted and approved in schools across the world. Provides detailed instructions and diagrams in the same format as our skateboarding, land paddling, and balance boarding curricula. Safety is our number one priority.

Skate Pass® Curriculum In-Service Training, Workshops, and Certifications Available.

**BURTON'S RIGLET SNOWBOARDING**

**SNOWBOARD STANCE**  
Learn the proper snowboard stance!

- Your stance is the way you stand on the board
- Hop up and when you land - freeze! If your feet are standing like a duck with your knees bent and arms out then you have the proper snowboard stance
- It should feel like when you are ready to field a ball in baseball or jump up to grab the monkey bars

**BURTON'S RIGLET SNOWBOARDING**

**SPOONER**  
Practice your balance on a board like the professional riders!

- Use proper snowboard stance
- Try leaning from one foot to the other and side to side
- Try walking like a duck
- Try spinning around

**BURTON'S RIGLET SNOWBOARDING**

**SNOWBOARD GRAB GAME**  
Learn how to do grab "tricks" on a snowboard

- Take Turns spinning the spinner
- Everyone else jumps, lands on the board, bends down low and do the correct grab

**BURTON'S RIGLET SNOWBOARDING**

**RIGLET BOARD FOAM BLOCKS**  
Learn how to steer and turn a snowboard like on-snow!

- Try leaning on your toes like a toe-side turn
- Try leaning on your heels to make a heel-side turn
- Try jumping up and landing back on the board

**BURTON'S RIGLET SNOWBOARDING**

**BURTON RIDER GAMES**  
Watch professional snowboarders and try to perform the same tricks they do in this game!

- Snowboarder "Name" - I'm going to say the name of a 'grab' and you try and do that grab
- A grab is where you reach down and hold onto different parts of your snowboard
- Snowboarder "Tricks" - tricks are maneuvers performed on snowboards for fun

**BURTON'S RIGLET SNOWBOARDING**

**RIDING**  
Get the sensation of moving on a snowboard!

**STABLE STANCES**

- Stand on the stance indicator holes in a stable stance like you are ready to jump
- Knees bent, shoulders over the tip and tail of the snowboard and looking where you are being pulled.

**BURTON'S RIGLET SNOWBOARDING**

**PULLING**  
Build your strength by pulling another student on the board!

**SAFE PULLING**

- Hold the tow rope handle properly
- Ask rider if they are ready
- Begin pulling slowly
